Be Part of a Winning Team

Making a difference in your community just became a lot easier. Now, even if you don't reside near a local AMBUCS™ chapter or necessarily have the time to serve as an active member, you can still become a Friend of AMBUCS™.

Founded in 1922, AMBUCS™ is a national non-profit organization comprised of a diverse group of men and women who are dedicated to creating mobility and independence for people with disabilities.

As a Friend of AMBUCS™ you can choose your own level of contribution and make a direct impact through a variety of community service projects. There are plenty of opportunities available for anyone interested in supporting our mission and bettering the lives of the less fortunate.

Improve the World Around You

Friends memberships are a time-effective way to make a positive impact in your community and join a nation wide group of fun-loving and passionate volunteers.

Some of the programs that AMBUCS™ members are involved in include donating therapeutic tricycles to individuals with disabilities, building ramps for people in wheelchairs and providing scholarships for students who aspire to become therapists.

You might even decide to join with other individuals in your area and form your own AMBUCS™ Friends chapter. Such a chapter will receive group tax exempt status 501c3, member liability insurance coverage, and subscriptions to the AMBUCS™ quarterly magazine. Also, the national organization will match the first 10 AmTrykes® purchased by a brand new Friends chapter over a 24 month period.

Now is the Time to Join!

The process of becoming a Friend of AMBUCS™ is very simple. Just complete the Friends membership application in this brochure. Then, give it to an active chapter member or mail it along with your annual tax deductible contribution of \$25 or more. You can also sign up with your credit card for easy renewal.
