(ORGANIZATION'S PRESIDENT/CEO)
(STREET ADDRESS)
(CITY, STATE ZIP)

Dear (PRESIDENT CEO) :

The (ORGANIZATION) has a reputation for being a community organization that makes a difference. The (LOCAL) Chapter of AMBUCS is currently seeking funds to purchase AmTryke® therapeutic tricycles for area children with disabilities and is requesting a (AMOUNT) donation from (ORGANIZATION.) to purchase one AmTyrke®.

The ability to ride a tricycle is often a lost opportunity for children with mobility or other developmental disabilities. But, children who receive an AmTryke® are given the opportunity to engage in inclusive play and at the same time build stronger bodies. The AmTryke® therapeutic tricycle was designed for children with disabilities. The hands, feet, or both power the tricycle. There are several adaptations that can be done when fitting a child to an AmTryke® including frame size, frame positioning, seat selection, head rests, lateral support, foot cups, handgrip placement and pedal size. Every effort is made to insure a perfect individual fit. It allows freedom to travel, builds self-esteem, strengthens muscles, and improves motor coordination and range of motion while making exercise fun.

The (LOCAL) Chapter of AMBUCS' mission is to help create mobility and independence for people with disabilities. We do this through community service and by providing AmTrykes® for children with disabilities. We are a 501(c) (3) public charity and all gifts are tax deductible as allowable by law.

Won't you please partner with us in providing the gift of mobility to (NAME OF YOUR CITY) an area child?

Enclosed is a brochure about the AmTryke®. Please call me at (PHONE NUMBER) if you should need any additional information or if you have questions regarding this request. Better yet, we would love the opportunity to present a program at one of your meetings about the AmTryke.

Sincerely,

(TYPED NAME)

President

(LOCAL) Chapter of AMBUCS
