

Branding Time 2012

Congratulations to the Branding Time Contest Winner!

Ponca City Noon, OK. The Ponca City Noon chapter divided their membership into 3 teams. Teams earned points by attending meetings, bringing guests, recruiting new members. Additional points were awarded for wearing costumes during the month of October and for showing patriotism during the month of November. Each week the losing team captain would select a team member to house the outhouse "AMBUCS shack of shame". This travelling trophy would be chained to a tree in front of their home or business for the week. Of course a "moving fee" would transfer it to another team member's address. Ponca City Noon also competed for dinner with their sister chapter Ponca City Charity Angels for most new members recruited. The Charity Angels won with 9 new members! Check out their photos and post on National AMBUCS Facebook Page. www.facebook.com/NationalAMBUCS
