

BIG HAT ALERT!

Hey AMBUCS™!

Attached you will find the latest Big Hat Alert. Remember, the purpose of this report is to help you identify members who are just one or two new members away from receiving their Big Hats! You need to recruit three new members in any 12-month period to become a Big Hatter!

Big Hat Mentoring Program

The Big Hat Mentoring Program is easy to do and it works! Just follow these simple steps.

1. Recruit mentors from those who are already Big Hatters.
2. Match them up with the future Big Hatters in your chapter (those with one or two new members to go or those with aspirations to become a Big Hatter!)
3. The mentors work one-on-one with the future Big Hatters to call on potential new members. By doing the following:
 - a. The mentor helps the future Big Hatter set up phone appointments with potential members and uses the attached phone script/
 - b. The mentor and the future Big Hatter go talk with the potential member together and invite them to a chapter meeting.
 - c. At the meeting, make the potential member feel welcome by greeting them and introducing them to fellow chapter members.

Do your part to help AMBUCS reach its goal of 125 new Big Hatters this year!

Congratulations to the these members who have earned their Big Hat this chapter year!
